

FIRST BAPTIST CHURCH, JACKSON, MISSISSIPPI
Franklin D. Pollard, Pastor

Since 1838 the eternal and changeless Word of God has been proclaimed from the pulpit of this Church. Today the Church speaks and works through the Pastor, staff and membership in a coordinated program of work and witness, including Worship Services, Sunday School, Church Development Program, Woman's Missionary Union, and Youth Activities. The Church is located across the street from the new State Capitol Building.

Dear Friend,

You have delighted and honored us with your visit. We sincerely hope you felt as welcome as you really were.

If ever your desire to worship our Lord leads you to our fellowship again, we shall be pleased. You are always welcome!

Sincerely,
Franklin D. Pollard
